Lexington Soldiers Do Not Want the Encampment Held in Thai City.

Mayville may have another chance yet to get the Kentucky State Guard Encampment.

The Lexington Battalion of the State Guard has presented to Governor Bradley a petition urging him not to give the annual military encampment to that city.

The soldiers say the people of Lexington are refuse to have an encampment in their city; that the desire for the Encampment there is entirely unnecessary on the part of the merchants; that Lexington people are tired of soldiers and that there the soldiers can expect no social pleasure from the Encampment.

BADLY HURT.

A Young Man Fell Off a Streetcar Last Night on His Head.

Mr. Elijah Clark met with a very painful accident last night.

He was on a streetcar going out to Electric Park, and the car was crowded to the footboards.

The young man was standing on the rear end of the footboard and started to go to the forward end where he could have secured a seat.

The car was near Commerce street and was moving at a good gait, and Clark was trying to catch a hand-bar on the side of the car, which missed.

He swung around, lost his footing and fell onto the ground, receiving a very bad cut in the back of the head.

He came back to Dr. H. W. Ray's drugstore where his wound was attended to.

UNION BOERS CONSIDER BACK DOWN, WHICH IS NOT NECESSARY IN THE WAR—PUBLIC INTEREST SLIGHT.

London, Aug. 22.—There is no longer any doubt that President Kruger has refused to submit to the demands of Mr. Chamberlain for the appointment of a court of inquiry. He may have done so diplomatically or hedgehogged, but that his answer is regarded by the British as final. The Boer proposal of a peaceful refusal is now an established fact.
